# BLANK LASER CHECKS

Blank Laser Checks provide flexibility to use your accounting software to its fullest potential: you design and print your own unique check format. These one part checks come with all the same features as Printed Laser Checks with only the background design and color reprinted.

Blank Laser Checks ship 1-2 business days after order.

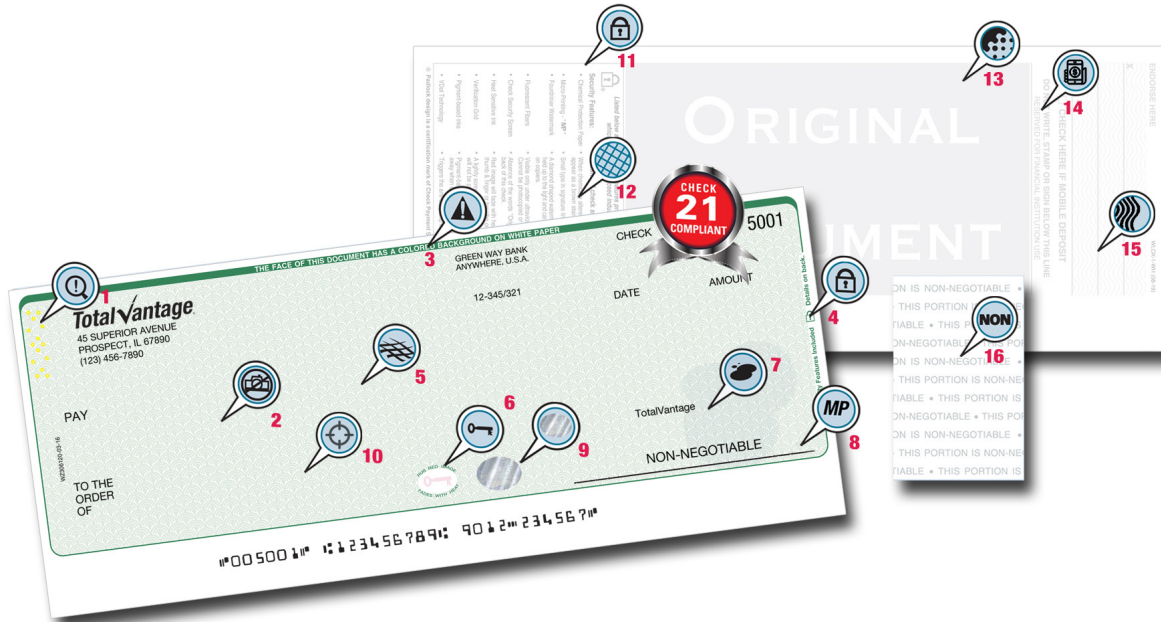

**NOTE:** MCIR toner cartridge and special fonts are required to print checks using the Blank Laser Check. Financial institutions will not process negotiable documents without the use of these features.

Stock Laser Checks provide the ultimate flexibility

# PRINTED PEGBOARD MANUAL CHECKS

- 7 Free, built-in security features prevent fraud and theft (see back)
- No software to learn
- Write once and all duplicate entry and transposition errors are eliminated
- Available for General Accounts and Trust Accounts

MAKE SURE YOUR CHECKS ARE **SECURE**

Make Sure Your Checks Are Secure!

Protect your checks and financial future. Our check security features are unmatched in the industry and help prevent criminals from gaining control of your personal financial holdings. Our high-quality security paper adheres to the latest ANSI standards (Check 21 Compliant) for image readiness.

1. **V-Dot Technology:** triggers the anti chip in most color copiers. When the chip is activated, the copy becomes unusable.
2. **Photocopy Void\*:** The word "Void" will appear when photocopied.
3. **Security Warning Band Border:** The most popular security border available.
4. **Padlock Icon:** Indicates check meets industry standard security guidelines listed on back.
5. **Invisible Fluorescent Fibers in Paper:** Fibers in paper stock are revealed under a black light.
6. **Heat Sensitive ThermoChromic Icon:** Red key disappears when subject to heat or touch (on back for Standard Plus).
7. **Chemical Stain:** Sensitized paper reacts to chemical attempts to alter check.
8. **Microprinting on Signature Line:** Reads "Authorized Signature." When copied or altered this line is not readable.
9. **Hologram\*\*:** Three dimensional metallic image fused on paper.
10. **Pigment Based Ink:** Pigment-based ink printed areas will NOT wash away when chemical alteration attempts are made.
11. **Padlock Icon on Back:** Lists additional visible and concealed security features.
12. **True Fourdrinier Watermark\*\*\*:** A diamond shaped watermark can be seen only when held at a 45 degree angle and cannot be altered or reproduced.
13. **Screened Check Back:** Deters duplication. Screen does not reproduce when copied.
14. **Mobile Check Backer**
15. **Digital Verification Grid:** The verification grid appears on the original and disappears when photocopied.
16. **Non-Negotiable Phrase:** Secures voucher from alteration.
